KEY FEATURES

24/7 Onsite Support

These homes are staffed around-the-clock, offering active overnight support, and feature onsite carers quarters so that you can access support as little or as often as you require.

User-Friendly Kitchen

Kitchen features include adjustable height benchtops, wheelchair-accessible layout, easy-to-reach light switches, cabinet handles and drawer pulls, and a pull-out pantry for ease of access.

Accessible Ensuite Bathrooms

Safety rails, tiled flooring, and adjustable bathroom fittings ensure comfort and accessibility.

Comfortable Living

Spacious open-plan shared indoor lounge and outdoor living areas provide space for relaxation and entertainment.

Wheelchair Accessibility

The shared living spaces, kitchen, and laundry are all designed to accommodate a wheelchair-accessible layout. These residences each feature wide doorframes and pathways, and step-free walkways and entry points throughout.

Ideal Location

These homes are situated in proximity to nearby amenities, only 6.3km from the Perth CBD, with Belmont Forum, Aqualife Leisure Centre, Optus Stadium, Burswood Park & Foreshore, Curtin University, and Royal Perth Hospital all within 6.5km distance.

Contemporary Design

The properties boast modern and stylish finishings throughout. Every detail has been considered to provide a comfortable and appealing environment for residents.
