

# **Easy Read Whistleblowing Policy**

**October 2025**

## What is a Policy?

A policy is

- a plan for how to do things
- where rules come from

An Easy Read guide is a summary of another policy.

You can find the other policy on our website  
[www.stjudes.com.au](http://www.stjudes.com.au)

Some words are written in **green**.

We will explain what these words mean.

When you see the word

- we
- our
- us

in this guide it means **St Jude's**

## You can get help with this policy

You can get someone to help you

- read this policy
- know what this policy is about
- find out more information

## Whistleblower

A **whistleblower** is what we call a person who tells on someone who is doing something wrong

It could be something like

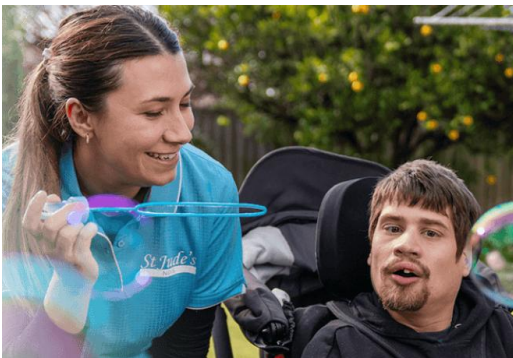

- stealing or lying
- not following rules
- hurting someone
- bullying someone
- making someone not feeling safe

## You can be a whistleblower and tell us if you know something that is wrong

Whistleblowers are protected by the law which means

- you won't get into trouble for telling us
- you do not have to tell us your name
- your name will stay private if you give it to us

We will not treat you differently if you tell us

You will not lose your supports and services

## Other people can help you

Other people can help you tell us what you think

Like your

- family
- support worker
- carer or guardian
- advocate

## What we will do with what you tell us

We will

- listen to you
- look into what has happened

If it is a big or serious problem, we may need to tell other people like

- the government
- the police
- a lawyer

We may need to tell them so the problem can be fixed correctly
